Eternal Father, Strong to Save: Rejected by Family-Accepted by God.

The Compass of Coping With Cancer

My Expectations: Helpful or Harmful

We often find ourselves, even as Christian women, driven by the tumultuous waves of uncertainty, doubt and disappointment. Let's set aside this special time to be refreshed from God's word and to be encouraged by His servants. Come prepared to laugh, to cry, to sing, to pray and to learn more of the love of Christ. Hope to see you soon!
